## Living God's Word

To say that Christ is king, that he reigns over our lives, is to admit to a world bigger than our own. In Christ's realm, each is cared for simply because each is a part of the kingdom.

## Vivamos la Palabra de Dios

Decir que Cristo es Rey y que reina en nuestra vida es admitir que existe un mundo que nos sobrepasa. En el ámbito de Cristo todos y cada uno somos cuidados sencillamente por ser parte del reino.

## Praying the Rosary

Dear Brothers and Sisters in Christ,

For centuries there have been many apparitions and messages from Our Lady of Fatima about the significance of the Holy Rosary. Saint Louis Mary De Monfort tells us that "the Rosary is a priceless treasure which is inspired by God." If ever there was a great need for praying the daily Rosary, the time is **NOW**. We are living in extremely chaotic and terrifying times...both in this country and globally. Please join us on Saturday afternoons at **4:10 pm prior to the 5 pm Mass** in praying the Rosary as a Parish seeking worldwide peace and healing of so many human atrocities. The Blessed Virgin is calling on each of us to take a stand against all evil that continues to grow significantly every day. Not only will you receive special blessings of Our Lady in praying the Rosary but you will be benefiting many lost souls who are in desperate need of our prayers.

## DATES TO REMEMBER

**Sunday, November 30** No classes, Thanksgiving holiday

An elderly priest tells the story about a class reunion where he found himself surrounded by several of the students he had taught. Most of them he had not seen in years and it was obvious that they had great respect for him.

Each one of them shared what they had been doing. One was an architect who had built a number of public buildings, including two churches. Another was a university professor who had written several books. Another was the head of a global company. Another was a highly successful farmer. Another was the principal of a prestigious school.

The elderly priest listened with pleasure to the impressive litany of successes and achievements. There didn't seem to be a single failure among them. When they had finished telling their stories; he complimented them on their achievements. Then, looking at them with affection, he said, "And now, tell me what you have made of yourselves?"

A long silence followed. They were reluctant to talk about their personal lives. It seems that they were so absorbed in their careers that they had neglected their personal lives. Their energies were so focused on efficiency and success that they didn't have the time to grow emotionally, with the result that in terms of relationships many of them were impoverished.

People may have done great things in their public lives but failed in their private lives. Most people who are successful at their careers leave their personal lives a long way behind. Unfortunately, their successes are often achieved at the expense of their personal lives.

In last Sunday's Gospel, Christ talks about three people who were given different talents. He commends the first two because they used their talents, and he chastises the third because he buried his talent.

When Jesus speaks about talents, he is not talking about musical gifts or being good at sports. Such talents are important but Christ's parable goes much deeper. Ultimately, the only thing that matters is what we make of ourselves.

As Pope St. John Paul II said, "What really matters in life is that we are loved by Christ and that we love him in return. In comparison to the love of Jesus, everything else is secondary. And, without the love of Jesus, everything else is useless."

Life is God's gift to us. What we do with life is our gift to God.
