## Living God's Word

Some believers tithe. Others try to keep a balanced perspective by living simply. There are some who choose to place a self-imposed limit on their savings. And then there are those radical few who choose to live without any possessions or belongings beyond what is absolutely essential. Regardless of the path we choose, we must seek to remove every obstacle to embracing our loving God.

## Vivamos la Palabra de Dios

Algunos creyentes contribuyen con su diezmo. Otros tratan de mantener una perspectiva equilibrada viviendo de manera sencilla. Hay algunos que se ponen ellos mismos un limite en sus ahorros. Y también existen unos pocos radicales que viven sin ninguna posesión o sin bienes propios, a no ser por lo absolutamente esencial. En toda instancia debemos remover todo lo que obstaculice nuestro tierno encuentro con Dios.

## DATES TO REMEMBER

**October 11-17** No Classes, Fall Break

**November 1** All Saints Celebration

So to continue on from last week; Guy Fawkes Day arrived in the United States with the first English settlers. By the time of the American revolution, Old King James and Guy Fawkes had pretty much been forgotten. Trick or treat, though, was too much fun to give up, so eventually it moved to October 31, the day of the Irish-French masquerade. And in America, trick or treat wasn't limited to Catholics.

The mixture of various immigrant traditions we know as Halloween had become a fixture in the United States by the early 1800's. To this day, it remains unknown in Europe, even in the countries from which some of the traditions originated.

But what about witches? Well, they are one of the last additions. The greeting card industry added them in the late 1800's. Halloween was already "ghoulish," so why not give witches a place on greeting cards? The Halloween card failed (although it has seen a recent resurgence in popularity), but the witches stayed.

So too, in the late 1800's, ill-informed folklorists introduced the jack-o-lantern. They thought that Halloween was Druidic and pagan in origin. Lamps made from turnips, not pumpkins, had been part of ancient Celtic harvest festivals, so they were translated to the American Halloween celebration.

So next time someone claims that Halloween is a cruel trick to lure children into devil worship, you can tell them the real origin of All Hallows Eve and invite them to discover its Christian significance, along with the two greater and more important Catholic festivals that follow it. (Father Augustine Thompson, O.P.)

Strong Catholic families will be having a **donut and bake sale Sunday, October 18th**, after the morning Masses. There will be **no** Strong Catholic family night in October due to fall break. Please join us again Friday, November 20th at 5:30pm for faith, food and fellowship.

This will be ONE phenomenal performance you do not want to miss.

On **Sunday, October 18**, Mr. Morales has graciously offered to play a benefit for St Vincent de Paul. All funds received will be used to benefit St Vincent de Paul. St Vincent needs to raise approximately \$17,000 for the repairs and upkeep of the Thrift Store, which is the revenue source for the funding they provide to the poor and very needy of our community. Every dollar contributed will go towards support to our community's most needy. Every dollar stays in Sierra Vista because we use local contractors for the work.

This will be a musical wonderment! Carlos will play a variety of music (he also is a gifted singer in in own right) and may have another guest musician join him. The cost will be your donated gift for St Vincent de Paul.

If you cannot join us for the benefit and would still like to help St Vincent de Paul, you can send your check to St Andrew Catholic Church, 800 Taylor Drive, Sierra Vista, AZ 85635 and mark the check for St Vincent de Paul. If you have questions, call Steve Conroy at 520-266-0558.
