In today's Gospel, John the Baptist urges us to "Prepare the way of the Lord." This is what Advent is all about, for we are called to help prepare the way of the Lord by making the real meaning of Christmas come alive in our own hearts, in our family, and to reach out to those in need.

**Is there a family you know who needs assistance? Please call the Society of St. Vincent de Paul so that together we can help the suffering and poor to celebrate Christmas.**

**Thursday, December 8,** Feast of the Immaculate Conception, Holy Day of Obligation (Opportunity)

A feast called the Conception of Mary arose in the Eastern Church in the seventh century. It came to the West in the eighth century. In the eleventh century it received its present name, The Immaculate Conception. In the eighteenth century it became a feast of the universal church.

In 1854 Pius IX solemnly proclaimed: "The most Blessed Virgin Mary, in the first instant of her conception, by a singular grace and privilege granted by almighty God, in view of the merits of Jesus Christ, the savior of the human race, was preserved free from all stain of original sin."

It took a long time for this doctrine to develop. While many fathers and doctors of the church considered Mary the greatest and holiest of the saints, they often had difficulty seeing Mary as sinless; either at her conception or throughout her life. This is one of the church teachings that arose more from the piety of the faithful than from the insights of brilliant theologians. Two Franciscans, William of Ware and Blessed John Duns Scotus, helped develop the theology. They point out that Mary's Immaculate Conception enhances Jesus' redemptive work. Other members of the human race are cleansed from original sin after birth. In Mary, Jesus' work was so powerful as to prevent original sin at the outset.
