As you give your gift to St. Vincent de Paul, your heart will discover the true meaning of Christmas as

you help those who are suffering and poor to long for the coming of the Lord.

The Feast of the Immaculate Conception is usually celebrated on December 8 and is usually a Holyday of Obligation. This year it will be celebrated on December 9 and will not be a Holyday of Obligation. Under her title of Immaculate Conception Mary has been consecrated as the patroness of the United States.

A feast called the Conception of Mary arose in the Eastern Church in the seventh century. It came to the West in the eighth century. In the eleventh century it received its present name, The Immaculate Conception. In the eighteenth century it became a feast of the universal church.

In 1854 Pius IX solemnly proclaimed: "The most Blessed Virgin Mary, in the first instant of her conception, by a singular grace and privilege granted by almighty God, in view of the merits of Jesus Christ, the savior of the human race, was preserved free from all stain of original sin."

It took a long time for this doctrine to develop. While many fathers and doctors of the church considered Mary the greatest and holiest of the saints, they often had difficulty seeing Mary as sinless; either at her conception or throughout her life. This is one of the church teachings that arose more from the piety of the faithful than from the insights of brilliant theologians. Two Franciscans, William of Ware and Blessed John Duns Scotus, helped develop the theology. They point out that Mary's Immaculate Conception enhances Jesus' redemptive work. Other members of the human race are cleansed from original sin after birth. In Mary, Jesus' work was so powerful as to prevent original sin at the outset.
