SAINT JOHN MARY VIANNEY (1786-1859)

August 4

A busy pastor jokingly suggests the secret of John Vianney's holiness: "He died seventeen years before telephones!" Call they didn't, but visit they did, keeping Vianney eighteen hours a day in the confessional. Stories abound of reading hearts and exorcisms, but Vianney's first miracle was getting ordained. Difficulty with studies delayed him, prompting the rector's apology to the bishop, "So far to ordain just one, especially *this* one!" The bishop, who could not know he was ordaining the future patron saint of parish priests, replied, "No burden to ordain one good priest!" In Ars, only an elderly handful attended Mass, "praying," one told Vianney, "for a priest with brains." But he stayed forty-two years, fulfilling the promise he made the day he arrived. In a sculpture just outside the village Vianney points skyward: "Show me the way to Ars," he tells a boy, "and I'll show you the way to heaven." To someone who feared there was no heaven beyond the grave, Vianney smiled, "My child, it would have been heaven enough to have lived as Jesus' disciple on earth."

In the Gospel, Jesus says: "There is no need for them to go away; give them some food yourselves," and taking the five loaves and two fish, he blest them and gave them to the disciples to feed the crowd.

Know that your gift to St. Vincent de Paul will help those living in poverty and touch many lives just like the loaves and fishes.

Dear OLM brothers and sisters,

The school is going through very difficult times with the threat with COVID19 and aging equipment. The CDC is placing strict guidelines on school re-entry for the 2020-2021 school year. This will mean increased personnel such as teachers and custodians. I am asking that you please consider donating to the school. Remember that every donation is tax deductible. If you have any questions please do not hesitate to call me at 378-7012. God Bless!

SCAM ALERT!!!!

It has been brought to our attention there is a scam going around using Fr. Mike Martinez's name. Please know that Fr. Mike will NEVER text you to ask for gift cards or money. This has been reported to the Sheriff's department and they are looking into it. Please delete and do not respond to these messages.

Dear Parents of RE Students,

I just wanted to give you an update on classes and sacramental prep etc. The Bishop's guidelines tell us that we cannot begin classes until October 1 and that will be online. We can possibly begin in person classes in January.

For those children who were going to make First Communion this year we plan on doing that as soon as we can all gather in the church again. Hopefully that will be soon.

I have been asked about Confirmation classes and that will happen also but perhaps starting online. There isn't much definite I can tell you. Just wanted to keep you all updated.

I pray that you are all staying well and that we will be able to meet together soon.

**God's blessings on all,
Kathleen**

Parishes Opening for Public Worship

July 31, 2020

I am pleased to share with you that as of August 7th the majority of our parishes have the option to open once again for limited public worship. As this situation is evolving each community must understand that these protocols can evolve as this public health crisis evolves. The following points are especially significant in this goal as we move forward:

- Parishes located on lands associated with Native American Nations will follow the public health protocols and directives of their proper Tribal Government. Also, the parishes located in Yuma County and Santa Cruz County are delayed until August 21st, at the earliest, for the option of reopening. As of July 28, 2020, the Covid-19 positivity rate for much of southern Arizona is under ten percent. However, the positivity rate in Yuma County is 17.5%, and Santa Cruz County is at 25.3%. While a substantial portion of the concentrations of Coronavirus can be attributed to area nursing homes, detention centers and prisons, the virus in the general population of these counties cannot be entirely discounted. In Yuma County, for instance, the Arizona Health Department lists “workplace exposure” as the #1 cause of infection. Parishes in these locations remain free to distribute Holy Communion outdoors to their parishioners or to celebrate outdoor Masses, as is currently permitted. It is my great hope that after an additional delay of two to three weeks these communities can safely offer indoor celebrations as well.
- The risks associated with public gatherings have not decreased and the formal Dispensation from participating in Sunday Mass in person remains in place for all persons living in or visiting the Diocese of Tucson. To state the obvious, we do not have a working vaccine or perfect method of treatment for Covid-19. It is my recommendation that the faithful remain at home until this situation is somewhat safer. I urge the faithful to commit daily to a time of prayer but most especially on Sundays. I also strongly encourage the reception of Holy Communion outdoors at your parish after prayerfully observing a Mass on television or the internet. While this public health situation remains troubling I must recall that our original motivation to cease public indoor gatherings was the extraordinarily high patient census in our hospitals, especially Intensive Care Units. That situation has improved. As of July 28th, hospitalization rates due to Covid-19 for Arizona have dropped 37% from their peak on July 13th. As our hospitals are reporting greater capacity, and I anticipate that only a small portion of our Catholic population will return for public Masses at this time, I conclude that limited indoor public Masses have once again become a possibility for much of our Diocese.
- No parish in the approved areas of our Diocese is required to reopen for public indoor Masses. The decision to reopen resides with the parish Pastor (or parish Administrator), in consultation with his local advisors. I urge pastors, whether open for public indoor Masses or not, to provide times for the faithful to come in person and receive Holy Communion outdoors. **I also urge that those identified in the Center for Disease Control (CDC) guidelines as highly at risk to refrain from in-person participation at Masses. This includes persons with chronic health conditions as well as persons age 65 and older.**
- For those parishes that elect to open, they must return to those protocols observed just prior to the recent suspension of public indoor Masses. Pastors are to review the protocols

previously approved by my delegate for this purpose, Msgr. Al Schifano. This applies to Mass, other Sacraments (including Confession), parish meetings, celebrations, etc. There may be no adaptation or variance from the approved prior protocols with the exception of the protocols listed immediately below.

- Pastors are reminded that they may celebrate Masses beginning on Fridays and continuing through Mondays—with those Masses always making use of the Sunday Mass prayers and Scripture readings. **Holy Communion may never be given indoors; it is to be given to the faithful only outdoors, even for those who have attended a Mass in person, and only provided in the hand.** Receiving Holy Communion after Mass is over and upon exiting the Church is a way that those who attended Mass in person can be in solidarity with the Community who has observed a Mass by technology and may then be coming to receive Holy Communion at the same time. Any prior permission to distribute Holy Communion indoors is hereby revoked.
- **The use of a mask is to protect others and also shows great respect and concern for our priests. It is clearly a pro-life issue. While already listed in approved protocols I wish to remind everyone that face masks are a firm requirement for all persons age six and older. Parishioners with a health condition making it impossible for them to make use of a mask are to contact their parish office ahead of time to verify the health condition with their pastor. There are no other exceptions to this protocol.**

I believe that substantial strides are being made in the creation of vaccines as well as better treatments. However, as noted above, the reopening of our parishes for limited indoor public Masses should not signal a lessening of caution or even an encouragement to attend Mass in person at this time. Indeed, as both faithful Catholics and faithful citizens, I urge the faithful to set a good example for the public. The aggressive observance of our protocols gives witness to our love of neighbor, appreciation for those who minister to us, and concern for the most vulnerable of our communities.

Lastly, I once again urge the faithful to enter into a true spirit of prayer, asking Our Lord and His Blessed Mother to intervene quickly, bringing us the vaccine and better medical treatments we need in order to celebrate our faith with far fewer constraints. I also ask for prayers for the sick, as well as for healthcare workers and first-responders. They are powerful witnesses to the love of neighbor.

May God bless you abundantly,

+Edward J. Weisenburger

Apertura de las Parroquias para el culto público

July 31, 2020

Me es muy grato comunicarles que a partir del 7 de Agosto, la mayoría de nuestras parroquias tienen la opción de abrir nuevamente para el culto público con restricciones. Conforme esta situación vaya avanzando, cada comunidad debe entender que estos protocolos pueden incrementarse si la crisis pública avanza. Los siguientes aspectos son especialmente importantes para seguir adelante con el objetivo.

- Parroquias localizadas en terrenos asociados con las Naciones Nativas Americanas seguirán los protocolos de salud pública y directrices de sus propios gobiernos tribales. También, las parroquias situadas en los Condados de Yuma y Santa Cruz se retrasará su apertura hasta el 21 de Agosto. Hasta el 28 de Julio del 2020, el índice de positividad de Covid-19 está bajo del 10% para gran parte del Sur de Arizona. Sin embargo, el índice en el Condado de Yuma es 17.5%, y el Condado de Santa Cruz es 25.3%. Mientras que una parte considerada de la concentración del Coronavirus puede ser atribuida al área de residencias para personas de la tercera edad, centros de detención y cárceles, el virus en general, no puede descartarse completamente en estos Condados. En el Condado de Yuma, por ejemplo, el Departamento de Salud señala la exposición de “los centros de trabajo” como la causa #1 de contagio. Las Parroquias en estas localidades permanecen libres para distribuir la Sagrada Comunión a sus feligreses o celebrar Misas al aire libre, como actualmente está permitido. Tengo mucha esperanza que después de este retraso de dos o tres semanas, estas comunidades estén suficientemente seguras para poder ofrecer misas en el interior de las parroquias.
- Los riesgos asociados a las reuniones en público no ha disminuido y la dispensa formal de asistir en persona a la misa dominical sigue vigente para todas las personas que viven o están de visita en la Diócesis de Tucson. Para decir lo obvio, no tenemos una vacuna que funcione o un método perfecto de tratamiento para el Covid-19. Es mi recomendación que los fieles permanezcan en casa hasta que esta situación este más segura. A todos los fieles les ruego tomen tiempo diariamente para rezar, especialmente los Domingos. También, les recomiendo firmemente reciban la Sagrada Eucaristía en el exterior de sus parroquias después de devotamente oír misa por televisión o internet. Mientras que la situación de salud pública sigue siendo preocupante debo recordarles que la idea original para suspender las reuniones públicas en interiores fue el extraordinario número de pacientes en nuestros hospitales, especialmente en las unidades de cuidados intensivos. Esa situación ha mejorado. Desde el 28 de julio, las tasas de hospitalización por el Covid-19 para Arizona han bajado un 37% desde su punto más alto el 13 de Julio. Como nuestros hospitales están reportando una mayor capacidad, y se anticipa que sólo una pequeña porción de nuestra población católica regresará para las misas públicas en este momento, junto con mis asesores concluyo que las misas públicas restringidas en el interior, se han convertido, una vez más, en una posibilidad para gran parte de la Diócesis.
- Ninguna parroquia en las áreas autorizadas está obligada a reabrir para las misas públicas en el interior. La decisión de reabrir las recae únicamente en el párroco de la parroquia (o en el administrador de la misma), previamente consultado con sus asesores locales. Ruego a los párrocos, ya sea que estén abiertos para las misas públicas bajo techo o no, a que proporcionen tiempo para que los fieles vengan en persona y reciban la Sagrada Comunión al aire libre. Exhorto, en el sentido más enérgico, a los identificados en las directrices del Centro de Control de Enfermedades (CDC) como de alto riesgo a que se abstengan de participar en persona en las Misas. Esto incluye a las personas con condiciones de salud crónicas, así como a las personas de 65 años o más.
- En el caso de las parroquias que decidan abrir, deben volver a los protocolos observados justo antes de la reciente suspensión de las misas públicas en interiores. Párrocos deben revisar los protocolos previamente aprobados por mi delegado para este propósito, Msgr. Al Schifano. Esto se aplica a la misa, a otros sacramentos (incluyendo la confesión), reuniones parroquiales, celebraciones, etc. No podrá haber ninguna

adaptación o desviación de los protocolos anteriores aprobados, con excepción de los protocolos que se enumeran a continuación.

- Se recuerda a los párrocos que pueden celebrar misas empezando los viernes y continuando hasta los lunes, utilizando siempre las oraciones de la misa dominical y las lecturas de las Escrituras. La Sagrada Comunión nunca puede ser dada en el interior; debe ser distribuida a los fieles sólo al aire libre, incluso para aquellos que han asistido a una misa en persona y sólo en la mano. Recibir la comunión después de terminada la misa y a la salida de la iglesia, para aquellos que atendieron misa en persona, es una forma de solidaridad con aquellos de la comunidad que han asistido a misa por medio de la tecnología y que vienen a recibir la comunión al mismo tiempo. Cualquier permiso previo para distribuir la Sagrada Comunión en el interior, queda revocado.
- El uso de cubrebocas es para proteger a los demás y también muestra un gran respeto y preocupación por nuestros sacerdotes. Es claramente un asunto pro-vida. Aunque ya está incluido en los protocolos aprobados, quiero recordarles a todos que los cubrebocas son un requisito firme para todas las personas mayores de seis años. Los feligreses con una condición de salud que les imposibilite hacer uso de una máscara deben contactar con la oficina de su parroquia con antelación para verificar la condición de salud con su párroco. No hay otras excepciones a este protocolo.

Creo que se están haciendo avances importantes en la creación de vacunas y mejores tratamientos. Sin embargo, como se ha señalado anteriormente, la reapertura de nuestras parroquias para las misas públicas limitadas en interiores no debe ser una señal de disminución de la precaución o incluso un estímulo para asistir a misa en persona en este momento. De hecho, como católicos y ciudadanos fieles, insto a los fieles a dar un buen ejemplo para el público. La agresiva observancia de nuestros protocolos es un testimonio de nuestro amor al prójimo, el aprecio por los que nos atienden y la preocupación por los más vulnerables de nuestras comunidades.

Por último, les ruego a todos los fieles presentar sus intenciones con un verdadero espíritu de oración, pidiendo a Nuestro Señor y a su Santísima Madre que intervengan rápidamente, trayéndonos la vacuna y mejores tratamientos médicos que tanto necesitamos. También pido oraciones para los enfermos, así como para los trabajadores de la salud y los primeros socorristas. Que Dios los mantenga en pie y a salvo.

Que Dios los bendiga abundantemente,

+Edward J. Weisenburger
